## OUR MISSION

To encourage, equip and **empower** fathers and young men in identifying and fulfilling their biblical role of **discipling** youth towards courageous **Christlikeness**, while simultaneously helping youth honour parents and embrace **wisdom**.

We want to cultivate a **movement** of discipleship and see God transform our land.

TURN THE HEARTS OF THE FATHERS TO THEIR CHILDREN...

## THINK ABOUT THIS

Are you aware of the hopes, fears, doubts, and questions deep in your son's heart? What **vision**, goals and achievable steps have you set for those you are discipling? **All men** are called to make disciples, first inside the home, then outside. This is our great privilege and fundamental to being a Christian! Unfortunately, most are unsure how because it was not modeled for them. **Discipleship** involves more than a Christian education or family Bible reading; it involves getting to the heart and applying the Bible to specific situations and **attitudes**. If you would like help with this, or have a friend you want to help with this, then Malachi Man is for you! The **principles** taught are applicable to any discipling relationship.

## AN ETERNAL INVESTMENT YOU WON'T REGRET

**Any man** can run Malachi Man in their living room or church. No prep time required. Just gather a few guys (or many) and play the videos. Married or single, children or not, Malachi Man **equips** all men. If you have sons age 10+ encourage them to attend with you. Ten **Talksheets** designed to cultivate heart-level conversations are provided, along with optional, **fun**, activities to illustrate each message. Questions? We love to help! ## WHAT WE BELIEVE

- Statistically, the vast majority of kids raised in Christian homes turn away from Jesus. The time for change is now.
- A Bible based, gospel focused, heart connected approach is needed.
- Men and women play equally vital roles. However, God specifically gave dads the responsibility of discipling their kids to maturity in Christ.
- Fathers have more influence on their offspring than anyone else. How kids see dad is how they tend to see God.
- Youth need a clear vision, guiding wisdom and practical steps from a father figure whom they feel free to share their hearts with.
- There is no greater joy than to know your children walk in truth and no greater sorrow if they don't.
- We need a generation of Christlike men to lead our nation to Jesus.

...AND THE HEARTS OF THE CHILDREN TO THEIR FATHERS
