

WHO WE ARE

Malachi Man was launched in 2012 by Richard Snyder who has a passion for discipling inside the home and outside. We're taking action to see a generation of godly youth lead revival in our land.

[RICHARD SNYDER]

His experiences include:

- Carpenters Ticket
- Professional Engineer (5 yrs)
- Youth Pastor & Youth for Christ (12 yrs)
- Masters of Arts in Leadership (TWU)

Over the years, Richard has discipled many young men. Him and his wife Tiffany are currently raising their 8 children. Richard's approach is hammered out in daily life.

Our board consists of fathers from various church denominations. We are a non-denominational ministry.
